

Exercise (14)

Use this questionnaire to determine what sources you need to cite:

- 1). Where in my speech am I quoting directly from someone else?
- 2). Where have my ideas been strongly influenced by someone else?
- 3). Which of my ideas and conclusions are the product of my own thinking?
- 4). How well do I clarify the sources of these three categories of information?
- 5). What visual aids or handouts have I borrowed from another source?
- 6). Use the previous lists to fill out complete citation information on any material that you have drawn from in your speech.
